Dear Colleagues,

We are pleased to announce the **SmartBU Hackathon 2025** (Internal Hackathon for Smart India Hackathon 2025) which is going to be held on **21-Sep-25**. Students will select a problem statement from the 135 options (90 software + 45 hardware) available on the [SIH Portal](#).

Smart India Hackathon (SIH) is a premier nationwide initiative designed to engage students in solving some of the most pressing challenges faced in everyday life. SIH provides a dynamic platform for students to develop and showcase their creative solutions to real-world problems. By encouraging participants to think critically and innovatively, the hackathon aims to bridge the gap between academic knowledge and practical application.

Please find the invigilation duty and reserve duty for SIH 2025 on **21-Sept-2025 (Sunday)**.
